Project Management Professional (PMP®) Exam Preparation

Presented by the Graduate School of Technology Management (GSTM), University of Pretoria.

The GSTM is an Authorised Training Partner (APT) of the Project Management Institute (PMI).

★ *5 ECSA CPD Points and 5 SACNASP CPD Points*

Brief Description

The **Project Management Professional Exam Preparation (PMP)** workshop assists you in improving your knowledge of project management in preparation of the PMP examination. Unlike other certifications that focus on a particular geography or domain, the international PMP certification can lead to project management work in virtually any industry, using various methodologies and/or in any possible location. The PMP helps you understand the global language of project management and enables you to better connect with the global project management community. The workshop focuses on the following knowledge areas: initiating projects; planning projects; executing projects; monitoring and controlling projects; and closing projects.
