

Online Short Course on Project Management Principles, Practices and Scheduling

Presented by Graduate School of Technology Management,
University of Pretoria

GSTM is an Authorised Training Partner (ATP) of the Project Management Institute (PMI), and has been recognised by this USA institute since 2003.

PMI: 20 PDU Hours

ECSA: 5 CPD Points

SACNASP: 5 CPD Points

Who should attend this online course?

This online short course is designed for you if you seek practical project management expertise.

The course is ideal for persons involved in or associated with projects, whether as project managers, planners, project team members, or senior management.

This course earns you credits towards the Programme in Project Management (PPM), most popular since 1997.

How is the course presented?

- Study when and where it suits you (as long as you have an appropriate internet connection).
- The course is presented through virtual sessions on a user-friendly online learning platform.
- To complete the course requires at least 20 hours, and you must complete it within about 8 weeks.

What will I learn during this course?

- How to initiate a project
- How to plan the project by
 - identifying and analysing the stakeholders
 - developing a project scope statement (and controlling changes to the project scope)
 - developing a work breakdown structure and a responsibility matrix to clarify roles and responsibilities
 - developing and analysing a network diagram
 - determining relative priorities of activities (including the critical path)
 - developing a Gantt chart
 - determining the workload on resources.
- Understanding the role of software systems
- How to control project progress.

During the course you will develop a Project Plan. If you are employed, this plan can be of value to your employer

Recognition of the certificate

- The PMI internationally recognizes the course as 20 PDU Hours
- ECSA recognizes the course, earning 5 CPD points
- SACNASP recognizes the course, earning 5 CPD points
- The University of Pretoria certificate of successful completion is awarded by the undisputed leaders in project management in SA, the Department of Engineering and Technology Management, University of Pretoria
- The course earns credit for the popular *Programme in Project Management (PPM)*.

Course fee
