Presented by the Graduate School of  
Technology Management,  
University of Pretoria

PMI: 160 PDU Hours

ECSPA: 5 CPD Points

SACPCMP: 96 CPD  
Hours Category: A Core

SACNASP: 5 CPD Points

## Who should attend this online programme?

This online programme is designed for you if you want to manage projects professionally. The course is ideal for persons involved in or associated with projects, whether as project managers, planners, project team members, members of a PMO (Project Management Office), or senior managers.

## How is the programme presented?

The programme is presented in a luxury hotel close to the N1 Highway. It includes 4 blocks of 5 days (Monday to Friday) each. You will also be required to do some work between blocks. During each block, 2 modules are presented, and you must pass all 8 modules to earn the certificate.

## What are the 8 modules that will be covered?

- Project Management Principles Practices and Scheduling
- Project Risk Management
- Project Procurement and Contract Management
- Project Quality Management
- The People Side of Project Management
- Legal Aspects of Project Managers **OR:** Manage Agile Projects
- Financial Principles and Project Cost Management
- Project Management in the Business Context

## How will my skills and knowledge develop during this programme?

### During the course, you will learn how to:

- Initiate, plan, execute, control and close projects
- Manage project risks
- Motivate and lead project teams
- Manage project finances
- Manage project procurement
- Manage project quality
- Either:
  - Apply the principles of the Law of Contract and the Labour Law
  - or
  - Manage Agile projects
- Integrate the above aspects into a comprehensive project plan.

During the programme you will do assignments and prepare project plans. If you are employed, this work can be of value to your employer.

## Credentials of the certificate

The programme was developed and is largely presented by professional lecturers who also created and present Africa's only master's programme in project management, accredited by the Global Accreditation Centre of the Project Management Institute (PMI).

The PPM has been presented over 200 times since 1997 and the material is regularly updated to keep abreast of the latest developments.

## Course fee

**The all-inclusive fee is R49 500.00 (VAT incl.)**

Course fees are payable in full 14 days before the course start date. Proof of payment can be submitted to [enrolments@enterprises.up.ac.za](mailto:enrolments@enterprises.up.ac.za)

## Admission Requirements

Prospective delegates should at least have a formal three-year qualification after completing Grade 12. Other prior learning and relevant work experience could be considered for admission.

Please provide proof of your highest qualification with your Application.

## Accreditation and certification

Enterprises University of Pretoria (Pty) Ltd is wholly owned by the University of Pretoria. As a public higher education institution, the University of Pretoria functions in accordance with the Higher Education Act 101 of 1997. Enterprises University of Pretoria offers short courses on behalf of the University and these short courses are not credit-bearing, and do not lead to formal qualifications on the National Qualifications Framework (NQF). Delegates who successfully complete a short course and comply with the related assessment criteria are awarded certificates of successful completion by the University of Pretoria.

**The certification issued upon successful completion is recognised by:**

- The international Project Management Institute (PMI) - 160 PDU hours (professional development unit hours).
- The Engineering Council of South Africa (ECSA) - 5 CPD points.
- SA Council for the Project and Construction Management Professions (SACPCMP) - 96 CPD hours, Category A Core.
- SA Council for Natural Scientific Professions (SACNASP) - 5 CPD points.
- Project Management South Africa (PMSA).
